Explanatory Statement

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. Annual Report

Shareholders will be offered the opportunity to discuss the Annual Report at the Meeting. The Company will not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so. The Annual Report is available on its website at www.drakeresources.com.au.

There is no requirement for Shareholders to approve the Annual Report. However, the Chair will allow a reasonable opportunity for Shareholders to ask questions or make comments about the Annual Report and the management of the Company. Shareholders will also be given an opportunity to ask the auditor questions as permitted by the Corporations Act.

2. Resolution 1 – Adoption of Remuneration Report

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

The vote on Resolution 1 is advisory only and does not bind the Company or its directors. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the Remuneration Report when reviewing the Company's future remuneration policies and practices.

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (Spill Resolution) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. Resolution 2 – Re-election of Director – Ariel (Eddie) King

3.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Ariel (Eddie) King, who has served as a director since 10 February 2017 and was last elected on 5 April 2017, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr King is a qualified Mining Engineer. Mr King holds a Bachelor of Commerce and Bachelor of Engineering from The University of Western Australia and is currently a Representative for CPS Capital. Mr King's past experience includes being Manager for an investment banking firm, where he specialised in the technical and financial requirements of bulk commodity and other resource projects.

Mr King also acts as a director of Bowen Coking Coal Limited (ASX: BCB), Eastern Iron Limited (ASX: EFE), Axxis Technology Group Ltd (ASX: AYG), European Cobalt Limited (ASX: EUC), Pure Minerals Limited (ASX: PM1), Six Sigma Metals Limited (ASX: SI6) and Sultan Resources Limited (ASX: SLZ). He was a former director of Lindian Resources Limited (ASX: LIN).

3.3 Independence

If elected the board considers Mr King will be an independent director.

3.4 Board recommendation

The Board supports the re-election of Mr King and recommends that Shareholders vote in favour of Resolution 2.

4. Resolution 3 – Election of Director – David Wheeler

4.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next following annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Wheeler, having been appointed by other Directors on 4 December 2017 in accordance with the Constitution, will retire in accordance with the Constitution and ASX Listing Rule 14.4 and being eligible, seeks election from Shareholders.

4.2 Qualifications and other material directorships

Mr Wheeler has more than 30 years of Executive Management Directorship and Corporate Advisory experience. He is a foundation Director and Partner of Pathways Corporate, a boutique corporate

advisory firm that undertakes assignments on behalf of family offices, private clients and ASX listed companies. Mr Wheeler has successfully engaged in business projects in the USA, UK, Europe, NZ, China, Malaysia, Singapore and the Middle East. Mr Wheeler is a Fellow of the Australian Institute of Company Directors and serves on public and private company boards currently holding a number of Directorships and Advisory positions in Australian ASX listed companies.

Mr Wheeler also acts as a director of Antilles Oil and Gas NL (ASX: AVD), Protean Energy Ltd (ASX: POW), Thred Limited (ASX: THD), Ultracharge Ltd (ASX: UTR) and Eneabba Gas Ltd (ASX: UTR). He was a former director Castillo Copper Limited (ASX: CCZ), AusMex Mining Group Ltd (ASX: AMG), Weststart Industrial Limited (ASX: WSI), 333D Limited (ASX: T3D), Auscann Group Holdings Ltd (ASX: AC8), The Carajas Copper Company Ltd (renamed: Valor Resources Limited - ASX: VAL) and Premiere Eastern Energy Limited (delisted).

4.3 Independence

Mr Wheeler has no interests, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the board and to act in the best interest of the entity and its security holders generally.

If elected the board considers Mr Wheeler will be an independent director.

4.4 Board recommendation

The Board supports the re-election of Mr Wheeler and recommends that Shareholders vote in favour of Resolution 3.

5. Resolution 4 – Change of Company name

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name.

Resolution 4 seeks the approval of Shareholders for the Company to change its name to Ragnar Metals Limited.

If Resolution 4 is passed the change of name will take effect when ASIC alters the details of the Company's registration.

The proposed name has been reserved by the Company and if Resolution 4 is passed, the Company will lodge a copy of the special resolution with ASIC following the Meeting in order to effect the change.

6. Resolution 5 – Change of Constitution

6.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 5 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**New Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in 2005.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the New Constitution rather than to amend a multitude of specific provisions.

The New Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- (a) subject to Resolution 4 being passed, updating the name of the Company to Ragnar Metals Limited;
- (b) updating references to bodies or legislation which have been renamed; and
- (c) expressly providing for statutory rights by mirroring these rights in provisions of the New Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A full copy of the New Constitution is available to Shareholders free of charge. To request a copy of the New Constitution, please contact the Company Secretary, Julia Beckett, by email at julia.beckett@drakeresources.com.au. Alternatively, the New Constitution can be viewed on the Company's website.

6.2 Section 136 of the Corporations Act

Section 136(2) of the Corporations Act provides that a company can repeal its constitution by shareholders passing a special resolution in general meeting. Section 136(1)(b) provides that a company can then adopt a constitution after registration by passing a special resolution. Accordingly, Resolution 5 seeks Shareholder approval to repeal the existing Constitution and adopt the New Constitution for the purposes of sections 136(2) and 136(1)(b) of the Corporations Act.

As Resolution 5 is a special resolution, at least 75% of the votes cast on Resolution 5 must be cast in favour of the Resolution in order for it to be passed.

If Shareholders pass Resolution 5 then the New Constitution will become the Constitution of the Company with immediate effect following the Meeting.

6.3 Summary of material changes

Minimum Shareholding (clause 3)

Clause 3 of the New Constitution outlines how the Company can manage shareholdings which represent an "unmarketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

The New Constitution is in line with the requirements for dealing with "unmarketable parcels" outlined in the ASX Listing Rules such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4(c) of the New Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to

represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

Dividends (clause 22)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The New Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

Partial (proportional) takeover provisions (new clause 35)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the New Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the New Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended

provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

6.4 Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the New Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 5.

7. Resolution 6 – Approval of 10% Placement Capacity

7.1 General

ASX Listing Rule 7.1A provides that an “eligible entity” may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital at the time of issue calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (**Additional Placement Capacity**) without using that company’s existing 15% annual placement capacity granted under ASX Listing Rule 7.1 and without requiring further shareholder approval prior to the issue.

The Board considers it is in the Company’s best interests to have the opportunity to take advantage of the flexibility to issue additional securities provided under ASX Listing Rule 7.1A. As at the date of this Notice, no decision has been made by the Board to undertake any issue of securities under the

Additional Placement Capacity if Shareholders approve Resolution 6. The Board unanimously recommend that Shareholders vote in favour of Resolution 6.

The information below provides more background on ASX Listing Rule 7.1A and the disclosure required by ASX Listing Rule 7.3A.

7.2 Description of ASX Listing Rule 7.1A

(a) Eligible entity

Under the ASX Listing Rules, an "eligible entity" is an entity which, as at the date of the relevant resolution, is not included in the S&P/ASX300 Index and has a market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) equal to or less than \$300 million. As at 11 October 2018, the Company is an "eligible entity" as it is not included in the S&P 300 Index and has a current market capitalization of approximately \$3,780,630 (based on the number of Shares on issue and the closing price of Shares on ASX on 11 October 2018).

(b) Special resolution

The Additional Placement Capacity requires shareholder approval by way of a special resolution at an annual general meeting. This requires at least 75% of the votes to be cast in favour of the resolution by members entitled to vote on the resolution.

(c) Securities which may be issued under the Additional Placement Capacity

Under the Additional Placement Capacity, the Company must issue Equity Securities belonging to an existing quoted class of the Company's Equity Securities. As at the date of this Notice, the Company has on issue one class of quoted Equity Securities, being fully paid ordinary shares (ASX Code: DRK).

(d) Minimum issue price

The issue price of each Equity Security issued under the Additional Placement Capacity must be no less than 75% of the volume weighted average price for the securities in that class, calculated over the 15 ASX trading days on which trades of securities in that class were recorded immediately before:

- (i) the date on which the issue price is agreed for the securities under the Additional Placement Capacity; or
- (ii) if the securities are not issued under the Additional Placement Capacity within 5 ASX trading days of the date in paragraph (i) above, the date on which the securities are issued.
- (iii) The Company will disclose this information when Equity Securities are issued under the Additional Placement Capacity.

(e) Time period for issue

The Equity Securities may be issued under the Additional Placement Capacity during the period commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting; or
- (ii) if the Company receives Shareholder approval for a proposed transaction under ASX Listing Rule 11.1.2 (significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking), the date of that approval,

after which date, an approval under ASX Listing Rule 7.1A will cease to be valid,

(Additional Placement Period).

(f) Dilution risks

If Equity Securities are issued under the Additional Placement Capacity, there is a risk of economic and voting dilution of existing Shareholders, including the following risks:

- (i) the market price for Equity Securities in the class of securities issued under the Additional Placement Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A (that is, the date of the Meeting, if Resolution 6 is approved); and
- (ii) the Equity Securities may be issued under the Additional Placement Capacity at a discount to the market price for those Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2, both as at 11 October 2018.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at 11 October 2018. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 11 October 2018.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.006 50% decrease in Issue Price	\$0.012 Issue Price	\$0.018 50% increase in Issue Price
315,052,490 (Current Variable A)	Shares issued - 10% voting dilution	31,505,249 Shares	31,505,249 Shares	31,505,249 Shares
	Funds Raised	\$189,031	\$378,063	\$567,094
472,578,735 (50% increase in Variable A)	Shares issued - 10% voting dilution	47,257,874 Shares	47,257,874 Shares	47,257,874 Shares
	Funds Raised	\$283,547	\$567,094	\$850,642
630,104,980 (100% increase in Variable A)	Shares issued - 10% voting dilution	63,010,498 Shares	63,010,498 Shares	63,010,498 Shares
	Funds Raised	\$378,063	\$756,126	\$1,134,189

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 315,052,490 Shares on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on 11 October 2018.
3. The Company issues the maximum possible number of Equity Securities under the Additional Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the Additional Placement Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(g) **Purpose of issue under Additional Placement Capacity**

The Company may issue Equity Securities under the Additional Placement Capacity for the following purposes:

- (i) to provide non-cash consideration for new asset purchases or investments; or
- (ii) to raise cash to fund:
 - (A) general working capital expenses;
 - (B) activities associated with its current assets;
 - (C) repayment of debt; or
 - (D) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

The Company will comply with the disclosure ASX Listing Rules 7.1A.4 and 3.10.5A on issue of any Equity Securities issued pursuant to the approval sought by Resolution 6. If Equity Securities are issued for non-cash consideration, the Company will at the time of issue of the Equity Securities provide a valuation of the non-cash consideration that demonstrates that the issue price of the securities is at or above the minimum issue price, in accordance with the Note to ASX Listing Rule 7.1A.3. The Company intends to maintain the ability to issue securities under ASX Listing Rule 7.1A for non-cash consideration.

(h) **Allocation policy under the Additional Placement Capacity**

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional Placement Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional Placement Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so the identities of any such persons.

However, when determining of the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

- (i) prevailing market conditions;
- (ii) the purpose for the issue of the Equity Securities;
- (iii) the financial situation and solvency of the Company;

- (iv) impacts of the placement on control;
- (v) other methods of raising capital; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties or associates of related parties of the Company. If the issue is made in connection with the acquisition of assets, the recipients may be the sellers of those assets

(i) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 29 November 2017 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 22 November 2017, the Company otherwise issued a total of 2,500,000 Shares and 25,000,000 Options which represents approximately 7.21% of the total diluted number of Equity Securities on issue in the Company on 22 November 2017, which was 381,052,491.

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in Schedule 1.

7.3 Voting exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 6.

Instructions for completing Proxy Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
 - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
 - (a) post to Drake Resources Limited, PO Box 1240, West Perth WA 6872; or
 - (b) facsimile to the Company on facsimile number +61 8 6245 2055; or
 - (c) email to the Company Secretary at julia.beckett@drakeresources.com.au,

so that it is received not less than 48 hours prior to commencement of the Meeting.

Proxy Forms received later than this time will be invalid.
